MEMORANDUM FOR: Deputy Director for Intelligence  
FROM: Director of Central Intelligence  
SUBJECT: ALA Research Program for CY 1983

1. This looks good, too. I'd like to see more explicit  
attention to <sup>corruption</sup> completion; brain drain and lack of internal  
discipline and competence as instability factors, particularly  

25X1

2. On Cuba, the effects of the US embargo and the Cuban  
propaganda apparatus and foreign policy would be useful earlier  
in the year.
